Dear Praying Friends,

November-December 2024

TRUTH FOR TODAY MEDICAL MISSIONS

Earlier this month we had the privilege of hosting the Truth for Today Medical team led by Dr. Greg Waller. We held a week of medical and vision clinics in four different areas. These are always a great benefit to the local churches in advertising the churches and planting the seed of the gospel. The medical/vision team met the needs of **1962** patients. To see a doctor, each patient agrees to sit down with one of our soul winners and is given a one-on-one presentation of the gospel. Many gospel seeds are planted that bear future fruit. During this week of clinics, **419** adults called on Christ for salvation! Each church is given the contact information, and they can follow up on the decisions, hopefully seeing them become part of the church. Plans are already underway for next year's clinics.

BRO. ROGERS SHARING THE GOSPEL

NEW CHURCH STARTED

Sunday, November 10th, the Grace Baptist Church of Naivasha held its first service. Much planning and preparation was done ahead of time by the reproducing church, Grace Bible Baptist Church of Nakuru. Naivasha is an area where we have prayed for many years to see a church started. There were over **200** in attendance, with **11** coming forward at the invitation for salvation. I had the privilege of preaching the first service, and I believe it was the best start to any church in our 27 years in Africa. Pray for Pastor Josphat Wakaba as he leads this new church. This was the third church started this year in our ministry, Grace to the Regions Beyond. We are already working on getting several more started this next year.
