SENDING CHURCH: NORTHWEST BIBLE BAPTIST CHURCH

Dear supporting churches,

I have been preaching in several churches these last two months. I spoke in Milwaukee, WI. for a hispanic heritage month service on September 14th. I also preached in Mesquite, TX on October 13th for a Spanish Church. I preached in Charleston, South Carolina on October 22nd, 23rd. I really enjoyed preaching in my home church, Northwest Bible Baptist Church of Elgin, Illinois for one of our 50th anniversary year celebration services. I preached in Bradenton, Florida on November 8-10 for a 20th anniversary revival (Spanish Church).

I have also been preaching in the migrant shelters in Chicago recently having Bible studies and services. I am still seeking permits from the city of Chicago to be able to have larger outreach. We are doing regular small scale Bible studies and soul-winning which does not require a permit for now. We are seeing people saved every week. I had eight visitors in church from the migrant ministry last sunday. I am also visiting their homes for follow up.

Colombia Trip

I am scheduled to visit the country of Colombia in a few days for evangelistic outreach meetings. I am not able to go to Venezuela these days with the current political unrest. Colombia is the neighboring country and has many Venezuelan refugees. I appreciate your prayers and support for this upcoming trip abroad on November 22-28.
