Greetings from Kenya!

Thank you for your faithful prayers! There is never a dull moment around here! There's much to tell since it's been two months since we wrote.

- On each of the six days of the medical clinic, we saw an average of over 250 people, and there were over 600 professions of salvation!
- The church in Naivasha was started November 10th. They had a beginning attendance of over 200, and 8 came forward for salvation.
- Eight boys made a profession of salvation during the church's "Coming of Age" event.
- We housed four groups of guests. The first was our mission board director and his family. We loved having them here, and they were a huge encouragement to us. Our children loved spending time with their sweet daughter, Faith. Then our friends who have come to help another ministry here in Nakuru arrived and stayed with us until their apartment was ready. What a blessing to have godly friends to fellowship with! The Rains family, who lives a few hours away from us, came to help lead the youth camp. They were a huge blessing in so many ways! Then, finally, three of Nathanael's siblings arrived Christmas night. They were loads of fun and used their skills to help in many ways. It was a great blessing to Linette to have help with the kids while she prepared everything for the next school year.
- Youth camp included teens from three different churches. The days were spent in small group Bible studies, games, chapel times, Q&A sessions, and other activities. The youth really enjoyed the camp and are wanting it to be even longer next year. 😊 We were thrilled to see them interested in learning more about God and His Word. Many opened up about things they were dealing with in their lives, and some

were saved.

- We and our co-workers busily prepared gift bags for our 1,600+ Saturday Club kids—each bag includes a little wordless book (thank you to our friends of Grace Baptist Church in SD!!!), a tract, and a pack of cookies. Our children worked factory-style to pack these bags and timed themselves at 60 bags in 15 minutes. 😊 Way to go, guys!
- Some helpful changes have taken place in the Bible translation project this month. We lost one translator last week but have hired two more who are pastors in the area. They will begin working with us Tuesday the 14th. Please pray with us for their character to be godly and for Nathanael as he brings them up to speed on English grammar, usage of Greek tools, and the translation process.

May you each have a wonderful start to your new year of ministry wherever the Lord has placed you!

Much love, Nathanael, Linette, Hadassah, Joseph, Jesse, Havalah, and Tirzah Steinbart
